My Challenge

1,000 miles to John O'Groats to raise in excess of £5,000 for NOAH Enterprise.

**12 Days to complete
from 30th August 2010**

I am raising money for the charity NOAH Enterprise. The ride between the two ends of Britain is my way of giving and a reason for you to donate through my personal effort. I know it is a tall order but every little helps. **As I am meeting the cost of the challenge all that I raise will go to the charity.**

My family and I have a permanent roof over our heads. Others are not as fortunate

NOAH Enterprise (New Opportunities And Horizons) is a Luton-based charity offering hope and support to people struggling against homelessness and exclusion. Putting a roof over someone's head is rarely enough to correct the chain of events that led them into homelessness in the first place. NOAH works with the person to find permanent and individually tailored pathways out of homelessness. Support offered ranges from a hot meal and medical care to NVQ accredited training and continue to provide this support long after permanent accommodation has been found.
